

If your vehicle was adjusted to be a total loss by Tennessee Farmers Mutual Ins. Co., you may be entitled to a payment from a proposed Settlement in the class action lawsuit referenced above.

A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.

- A settlement has been reached in a class action lawsuit against Defendant Tennessee Farmers Mutual Insurance Company (“TFMIC” or “Defendant”). The class action lawsuit alleges The class action lawsuit alleges TFMIC or “Defendant”, breached its insurance policies with its insureds that submitted first party insurance claims on automobiles deemed to be a total loss by settling such claims for less than the actual cash value of the vehicles because the settlement of such claims involved the utilization of an Autosource Report that applied a Typical Negotiation Adjustment to at least one comparable vehicle to assist TFMIC and its insureds in agreeing upon the actual cash value of the insureds’ total loss vehicles as of the time of the loss. TFMIC denies that it breached its contractual duty to pay actual cash value, violated any law, and/or owes any liability. TFMIC also defends based on the fact that most of its insureds, at the time they settled their first party total loss claims, executed written release agreements that release and discharge any further claims against TFMIC related to the underlying event that gave rise to the total loss claim and/or related to your underlying policy of insurance under which it was settled. Notwithstanding the foregoing, to avoid the uncertainties and expenses associated with continuing the case, the Parties have agreed to settle this dispute and certify a class for settlement purposes in exchange for dismissal of the lawsuit and a complete release of all claims that were or could have been brought related in any way to the matters in dispute in the lawsuit.
- You are included in the Settlement Class if you are a person who made a first party insurance claim on an automobile deemed to be a total loss under a policy of insurance issued by TFMIC where the claim was submitted from September 26, 2017, through April 7, 2026 and where the settlement of such claim involved the utilization of an Autosource Report that applied a Typical Negotiation Adjustment to at least one comparable vehicle to assist TFMIC and you in agreeing upon the actual cash value of your total loss vehicle as of the time of the loss.
- Persons included in the Settlement will be eligible to receive a cash payment *pro rata* portion of the Net Settlement Fund. Payments to Settlement Class Members will come by check unless you elect to receive payment electronically by Venmo, Zelle, PayPal, electronic funds transfer etc. via the Settlement Website, www.AutoInsuranceClaimSettlement.com.
- Read this Notice carefully. It explains your rights and options—**and the deadlines to exercise them**. Your legal rights are affected whether you act, or do not act.

BASIC INFORMATION

1. Why was this Notice issued?

A Court authorized this notice because you have a right to know about a proposed Settlement of this class action lawsuit and about all of your options before the Court decides whether to give final approval to the Settlement. This Notice explains the lawsuit, the Settlement, the benefits and your legal rights.

The Circuit Court of Montgomery County, Tennessee is overseeing this case. The case is called *Weyant v. Tennessee Farmers Mutual Insurance Company*, Case No. CC23CV2140. The person who has sued, Janice Weyant, is called the Plaintiff. The entity being sued ("TFMIC"), is called the Defendant.

2. What is a class action?

In a class action, one or more people called the class representatives (in this case, Plaintiff Janice Weyant) sue on behalf of a group or a "class" of people who have similar claims. In a class action, the court resolves the issues for all class members, except for those who exclude themselves from the class.

3. What is this lawsuit about?

This lawsuit alleges TFMIC breached its insurance policies with its insureds that submitted first party insurance claims on automobiles deemed to be a total loss by settling such claims for less than the actual cash value of the vehicles because the settlement of such claims involved the utilization of an Autosource Report that applied a Typical Negotiation Adjustment to at least one comparable vehicle to assist TFMIC and its insureds in agreeing upon the actual cash value of the insureds' total loss vehicles as of the time of the loss. TFMIC denies that it breached its contractual duty to pay actual cash value, violated any law, and/or owes any liability. TFMIC also defends based on the fact that most of its insureds, at the time they settled their first party total loss claims, executed written release agreements that release and discharge any further claims against TFMIC related to the underlying event that gave rise to the total loss claim and/or related to your underlying policy of insurance under which it was settled.

4. Why is there a Settlement?

The Court has not decided whether the Plaintiff or Defendant should win this case. Instead, both sides agreed to a Settlement. That way, they avoid the uncertainties and expenses associated with ongoing litigation, and Settlement Class Members will get compensation.

WHO'S INCLUDED IN THE SETTLEMENT?

5. How do I know if I am in the Settlement Class?

The Settlement Class is defined as:

All persons who made a first party insurance claim on an automobile deemed to be a total loss under a policy of insurance issued by Tennessee Farmers Mutual Insurance Company where the claim was submitted from September 26, 2017, through April 7, 2026, and where the settlement of such claim

involved the utilization of an Autosource Report that applied a Typical Negotiation Adjustment to at least one comparable vehicle to assist TFMIC and its insureds in agreeing upon the actual cash value of the insureds' total loss vehicles as of the time of the loss.

SETTLEMENT BENEFITS

6. What does the Settlement provide?

Monetary Relief: TFMIC will pay \$5,850,000.00 into a Settlement Fund Account for the benefit of the Settlement Class.

7. How much will my payment be?

The amount in the Settlement Fund Account will be distributed to Settlement Class Members who do not opt out of the Settlement on a *pro rata* basis, after deducting any Court-approved attorneys' fees and expenses, Service Award to the Settlement Class Representative, and costs of settlement administration. Payments to Settlement Class Members will come by check unless you elect to receive payment electronically by Venmo, Zelle, PayPal, electronic funds transfer, etc. via the Settlement Website, www.AutoInsuranceClaimSettlement.com.

8. When will I get my payment?

The Court will hold a hearing to consider the fairness of the Settlement on August 14, 2026. If the Court approves the Settlement, Settlement Class Members will receive their payment within 90 days after the Effective Date (*i.e., after final approval and resolution of any appeals*).

REMAINING IN THE SETTLEMENT CLASS

9. What am I giving up if I stay in the Settlement Class?

If the Settlement becomes final, you will give up (or "release") your rights to sue TFMIC and certain of its affiliates ("Released Parties") regarding the Released Claims, which are described and defined in the Settlement Agreement. Unless you exclude yourself (*see* Question 12), you will release the Released Claims. You may access the Settlement Agreement through the "Important Documents" section on the Settlement Website.

The Settlement Agreement describes the Released Claims with specific descriptions, so read it carefully. If you have any questions you may speak to the lawyers listed in Question 10 for free or you may, of course, speak to your own lawyer.

THE LAWYERS REPRESENTING YOU

10. Do I have a lawyer in the case?

The Court has appointed Hank Bates and Lee Lowther of Carney Bates & Pulliam, PLLC, to be the attorneys representing the Settlement Class. They are called "Class Counsel." After conducting an extensive investigation, they believe that the Settlement Agreement is fair, reasonable, and in the best interests of the Settlement Class. You will not be charged out-of-pocket for these lawyers. If you want to be represented by your own lawyer in this case, you may hire one at your own expense.

16. What’s the difference between objecting and excluding myself from the Settlement?

Objecting simply means telling the Court that you don’t like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself from the Settlement Class is telling the Court that you don’t want to be part of the Settlement Class. If you exclude yourself, you have no right to object or receive a monetary benefit because the case no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

17. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing at **9:00 a.m. on August 14, 2026**, at the Montgomery County Courthouse, 2 Millennium Plaza, Suite 115, Clarksville, TN 37040. The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Class; to consider the Class Counsel's request for attorneys' fees and expenses; and to consider the request for a Service Award to the Settlement Class Representative. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the Settlement.

The hearing may be postponed to a different date or time without notice, so it is a good idea to check www.AutoInsuranceClaimSettlement.com or call Class Counsel at: (888) 551-9944 . If, however, you timely objected to the Settlement and advised the Court that you intend to appear and speak at the Final Approval Hearing, you will receive notice of any change in the date of such Final Approval Hearing.

18. Do I have to attend the hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to come at your own expense. If you send an objection or comment, you don't have to attend the hearing to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also retain your own lawyer (at your own expense) to attend, but it's not required.

19. May I speak at the hearing?

Yes. You may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must include in your letter or brief objecting to the Settlement a statement saying that your or your attorney intends to appear at the Final Approval Hearing.
